Hi Joella no worries about the date.
Here is a CAD PDF of the venue. Please see attached.
We can set up stage and sound for you in front of the tower. Second choice would be at the top of the Orange grove with the orbs and platform behind the speakers. The sun will also be behind the stage there.
Will there be any sort of a back drop to place on the small stage stage?
Please find load in information attached that you can send your vendors.
I will alert Maintenance to freshen up the venue.
Where do you want the catering tent to be set up? Will that need power?
Will there be a map you can give us as to which tents are which vendors?
Let me know what works and what you need.
Louise

Hi there. I'm sorry to have this on your birthday but it's the only day we can get this firmed up on everyone's calendars. We will be doing a full court press to event day for this Press Conference.

It's shaping up to be the following...

6AM Rental Arrivals
830AM Official Start of Event - Coffee & Pastries
9AM Press Conference Start
930AM Questions
10AM Strike

We have everyone there and should be including the community shortly! We are working on event notice as we speak.

But, I wanted to get you as much info prior and ask a few questions.

- 1) Can I get a diagram of the park to use for vendors and set up.
- 2) If we needed to get in a little earlier to set up rentals could we?
- 3) I'm thinking of placing small stage in front of tower - is that a good spot? Is there any power I can pull from for the speakers?
- 4) Can we do a little extra cleaning for this? I'm suspecting we will have at least 150 people come out to hear this including a bunch of press.
- 5) Load-In and Load Out Instructions?

OK, let me know your thoughts. Appreciate it.
